EXPERIENCE

Coding Bootcamp Praha / 2020

12-Week immersive and intensive coding course focusing on full-stack technologies such as HTML, CSS, SASS, Bootstrap, Git, Github, Terminal, Javascript, jQuery, React, Node.JS, AJAX, PHP, Laravel, and SQL.

Freelance English Teaching / 2013 - 2020

Teaching English for people of all ages. Focusing on young learners (3-10) of all levels. Each lesson is individually planned based on the client's needs and group size.

Speak & Do English / 2018 - 2020

Taught English through the Monte method. Worked with children levels A1-C2, through creative activities. Focused on vocabulary, sentence structure, reading, and conversation.
